Westport Point

GO A COUPLE OF MILES SOUTH AND THE ISLAND OF CUTTYHUNK IS CLEARLY VISIBLE ON THE HORIZON. THIS CHARMING VILLAGE AND PIER SEEM EVERY BIT AS MUCH OF AN ISLAND. WATER IS IN SIGHT ON THREE SIDES. IT ONCE WAS A MAIN PASSAGE TO HORSENECK BEACH, BUT, WHEN THE STATE TOOK OVER THE BEACH, THIS COMMUNITY HAD THE GREAT GOOD FORTUNE OF HAVING "PROGRESS" PASS IT BY. THE ORIGINAL WESTPORT BRIDGE WAS DEMOLISHED IN FAVOR OF THE NEW LARGER SPAN LEADING TO THE STATE BEACH. THIS LEFT WESTPORT POINT DEAD-ENDED AND OFF THE BEATEN TRACK; MORE PEACEFUL THAN IT HAD EVER BEEN BEFORE. NOW, ONLY THOSE WHO LIVE THERE AND THOSE WHO SEEK IT OUT ENJOY THE BEAUTY OF THIS STRETCH. THIS COLLECTION OF INDIVIDUALISTIC HOMES WITH WOODEN WHARF AT THE FOOT OF THE STREET ARE A TREAT PRESERVED FROM AN EARLIER TIME. THE WELL KEPT HOMES BEHIND WHITE FENCES ARE SET ON GREEN LAWNS THAT SLOPE TO THE BLUE WATER. THE TWO LANE ROAD IS SO FREE OF TRAFFIC THAT CHILDREN PLAY BASKETBALL IN THE STREET SHOOTING TO A BASKET FASTENED TO A TELEPHONE POLE. THIS IS A PLACE OF EASY CHARM. THIS IS A REMINDER OF A LIFE-STYLE THAT HAS PASSED, FOR MOST OF US, INTO RECENT HISTORY. DCJ PHOTOS

Mattapoisett Town Meeting

MAY 11, 1987-by VIRGINIA ARRAL
TAX INCREASE OF 12 PERCENT
IF SIX QUESTIONS PASS SPECIAL ELECTION

Six itemized questions will be on the June 23 Special Election, announced Selectmen and the Finance Committee. If all are passed, Finance Committee Chairman Richard Gamache said it will add $1.77 to the present $14.60 tax rate - to $16.37 - a 12 percent increase.

Chairman Gamache explained following the May 11 third night of town meeting all questions will need only a majority vote. Growth figures from the state, based on new valuation of new building with one half of the value being added to the levy, could change the tax increase figure.

The three capital overrides include $152,900, Center School boilers; $142,500, corrosion control facility; and $69,034, emergency repairs at Old Rochester Regional High School. The question on the $94,591 increase to the ORR District operating budget will be a separate item; and, if passed, will have to be approved at a special town meeting to be adopted into the town government budget.

The two debt exclusion questions, if passed, will be bonded. The sewer treatment plant at $450,000 plus interest and the $160,000 plus

interest to purchase and equip a new 500 GPM fire pumper will also be separate items.

A conference among town and school officials before the start of the third night of the annual town meeting resulted in an announcement by Moderator R. William Blasdale that the Board of Selectmen exercised their authority and agreed to place on the special election ballot the $94,591 increase requested by the ORR District School Committee for an operational override.

After being turned down twice by voters - one on mistaken vote on Monday, May 4th, when Town Counsel Donald J. Fleming said a 2/3 vote was needed when, in fact, only a majority vote was needed. The second denial came on Wednesday, May 6th, when voters turned down a motion to reconsider the increase. No further action was taken on this issue on May 11th by the 252 voters present.

Article 43, a debt exclusion request by the ORR School Committee for emergency repairs, passed but with a reduced figure from $73,095 to $69,034 as Mattapoisett's share. Items include $130,000 elevator for a handicapped student, $14,000 public address system, $7,000 auditorium lightboard and repairs to the #2 boiler, $2,000. Some expenses are state reimbursable. A $4,000 request for football goal posts and $5,000 for football scoreboard were eliminated.

Article 44 for repairs to ORR High School for a debt exclusion for $512,578 was withdrawn by the school committee and indefinitely postponed. Mattapoisett School Committee member Peter Coville said

LAURIE ERBSTOESSER 748-2965

COTTAGE STREET MARION CENTER MA

"We recommend the establishment of a Capital Needs Study Committee to be comprised of one member of the Selectmen, one Finance Committee member and one School Committee member-one from each town, Marion, Mattapoisett and Rochester and report on September 1, 1987." A sense of the meeting vote approved establishing this study committee.

Also withdrawn and indefinitely postponed was Article 45 placed by the Mattapoisett School Committee requesting $268,000 debt exclusion for school repairs. Chairman Ellen Driscoll explained the committee realized the tight budget this year but only wanted to make the public aware of the repairs needed to the town elementary schools. "We will be back another year", she said.

Although not recommended by the Finance Committee, the presentation by Paul M. Kelley, Jr., fire alarm superintendent, for a new fire pumper convinced voters to pass a debt exclusion for $160,000. Kelley explained the 1962 commercial truck, fitted out in 1964 and purchased by Mattapoisett for $13,000, is in terrible condition. Kelley said the tank lost water at 217 gallons on the station floor in 14 days. It is less now at three gallons a day, but should only lose two or three drops when pumping. It would cost $80,000 to $90,000 to repair the tank, and the body won't carry a larger tank.

Also, Kelley said, the back end of the truck where the firemen stand is rotten. He displayed several rotted pieces that had fallen from the truck when he jumped on it. "I

to house three engines - "we still have only three engines with much more valuable property". Fire Chief Donald Wood said there is $259 million dollars worth of property in town.

Mr. Gamache explained a debt override would increase the tax levy and increase the tax rate of 62 cents per thousand, whereas a debt exclusion on a five-year loan will cost about $191,000 with interest and 74 cents on the tax rate but only for the five years. Financially, this is the better way to go.

Article 38 on the density change at the Industrial Park was passed 139-55. Petitioned by John Folino, owner of Cape Building Systems at the Park, he urged the change from 25 percent to 50 percent, saying some businesses have no choice but to go to a park. The set-back of 75 feet from the front and 50 feet from each side are proper; however, the percentage of land that can be built on is too small as compared to other area parks. The price of lots in the private park off North Street has increased 600 percent since 1978 when Folino came, he said.

Clarence Fountain, speaking on behalf of the Industrial Committee, asked that the article be indefinitely postponed. To avoid pollution in the park, the density was established to prevent overuse of septic systems by too many employees. Saying the land is suitable for businesses with a small work force and not for 200 employees, Fountain said soil bearing tests show poor drainage material in the area. Folino responded saying he uses more water at his home than at his business at the Park. Thomas Brownell of Brownell Boat Works at the Park said he had never been contacted by Tighe and Bond Engineers who, Fountain said, was checking drainage.

Selectman William F. Hubbard said the Tighe and Bond study was done when Selectmen were considering extending sewer lines to the Park. He noted buildings there need more outside storage capacity and not so much inside space. Lawrence O'Pezio of the Planning Board said he felt the new Growth Management Study Committee will check into problems at the park.

Asking to speak as a non-resident, Kenneth Schwartz of Universal Company at the Park asked if the town wants an industrial park or let it remain just as it is. "Land is very expensive and there are other parks. Other towns would be envious to get additional taxes, and put something into the town coffers and not take it out." Universal, Schwartz said,

pays $20,000 in taxes in one year. "We are near the highway which is a good effect. The Conservation Commission has a job watching for any pollution problems. If we have no sewer system for a long time, it won't affect our business as we are a small business and can operate with a septic system".

Mr. Schwartz said a lot of people probably don't realize this large building is in the park. "We have 10 acres, of which the building takes two acres and we have 100 employees. As it is now we can't build two feet longer; however, if it passes we can add 25 feet in back. You may ask why did Universal come to Mattapoisett? We made a mistake. We looked at the old zoning plans and if the building inspector told us of the situation, we might not be here today."

Indefinitely postponed was article 39 in which the wharf commissioner requested an override for $45,000 for wharf restoration. Wharf Commissioner Steve Mach explained repairs desperately are needed. When

335 Main St.-Fairhaven-Sandy Frias-997-0482

Harvey Blanchette asked why the town couldn't go for state funds, Selectmen Chairman John DeCosta said "we would have to make it open to the public like the ramp. We should go on our own, but this year we have to watch the tax rate."

Passed was article 33 amending the town by-laws to restrict the operation of a private landfill. Chairman DeCosta said there have been problems in Acushnet, and "we are just trying to protect our town". Another town by-law addition prohibits nude dancing in establishments dispensing alcoholic beverages. This article brought laughter from the voters when town counsel said there had been an episode of topless dancing in a Mattapoisett establishment in the past. The U.S. Supreme Court has given towns the right to prohibit nude dancing where liquor is sold. Article 35, the non-criminal disposition of violation by-laws, was amended as described by town counsel to decriminalize the procedures of traffic tickets by simply paying a fine and not being required to appear in court.

Articles 36 and 37, referring to Flood Plain Zoning by-laws, were both adopted. Building Inspector David Crook explained the acceptance is necessary to bring our by-laws into conformity with federal laws. "If we don't do it, there will be no more flood insurance in town." Richard Chase of the Planning Board termed it "federal blackmail", saying, "all those changes were made by computer and, do you realize how high a house will have to be to comply?" Town

Counsel said, "unfortunately you're correct, Mr. Chase; however, we have to adopt this change or be penalized when banks will not lend money for mortgages if there is no flood control insurance."

Article 42, to adopt a new state law to become effective July 1, 1987 for real estate tax over age 70 exemption, was not passed. The article was sponsored by the Council on Aging, whose spokesman, Robert Coquillette, explained the law must be adopted by each town before it can be implemented for its residents over 70 who also qualify for other state programs. He said this article would allow seniors to stay in their homes and would reach a larger segment of residents. There are 650 persons over the age of 70 in town now; 150 might qualify as compared to 70 now. The cost could be about $50,000 more than is exempted now.

Assessor Bruce Rocha said his Board objected to the law's change saying, "We now give a $4,000 value reduction or $500 tax reduction, whichever is greater if there is a need; this is reimbursed by the state. Under the law change, the town taxpayers will have to absorb the cost and not the state. Now, when persons apply we use our discretion in granting reductions." Rocha added there

is no need to jump on the bandwagon; "we can always adopt the law at a later date".

Among the articles passed not involving money were the acceptance of four streets: Pinewood Way, Stoney Hill Road, Oaklawn Avenue and Crook's Way. Planning Board member Richard Chase said Pine Wood Way and Stoney Hill Road had drainage problems and should be corrected before being accepted. Harvey Blanchette said Oaklawn Avenue is one of the best maintained roads in the area. A letter from Highway Surveyor Manuel Nunes, Jr. and Mr. Chase's comments informed voters Crook's Way was the only road up to standards.

Indefinitely postponed was article 41 seeking $2,500 for the Zeiterion Theatre.

Peter Kortwright of the Growth Management Study Committee announced there were questionnaires available to voters as they signed in at the door and he urged people to fill them out and return them to the Selectmen's Office for a better understanding of what residents want to see for Mattapoisett's future.

Marion Memorial Day

All units participating in the Memorial Day Parade and observance in Marion are requested to report to the Music Hall, Front and Cottage Streets, at 8:00 a.m. on Monday, May 25th. All units will be in parade formation by 8:45 a.m.

The Memorial Day observance will begin with the raising of the colors by the Marion VFW, with the National Anthem by the Old Rochester Regional High School Band. After a short ceremony at the Civil War Monument, the parade will proceed as follows: south on Front Street to Main Street, turn west on Main Street to Route 6, then turn south to entrance of Evergreen Cemetery, proceeding to the rear of the cemetery to the Civil War monument; parade returns to Route 6, through the same entrance, turns north on Route 6 to Main Street, proceeds east on Main Street to Spring Street, and stops between the Town

Mattapoisett Selectmen's Meeting

MAY 12, 1987-by VIRGINIA ARRAL

ADDITIONAL APPOINTEES RESIGN

Resignations accepted with regret by Selectmen last Tuesday include Marilyn K. Lee as a member of the Recreation Committee, Winifred Burnham from the Council on Aging and James L. Sullivan as Shellfish Deputy. This list of names is in addition to the resignations earlier from the Zoning Board of Appeals and the Finance Committee.

Mr. Sullivan has obligations in his new plumbing business, but expressed a wish to return to serve in the future. After six years on the Recreation Committee, Mrs. Lee feels it is time to step down. Mrs. Burnham resigned due to personal

Hall for dismissal. Refreshments will be served to the marchers by members of the American Legion Post 280 Auxiliary.

In case of rain the parade will be omitted and ceremonies will be held at the Gilbert D. Bristol Auditorium at Old Rochester Regional High School at 1:30.

Counsel to rule on whether the Hildreths can claim Mattapoisett residence while living on a boat.

MET WITH Bruce Rocha and Wayne Peterson to discuss the placing of two granite columns with a chain gate across Goodspeed Island Road. Mr. Peterson, who is a project manager with Fisher & Rocha, displayed engineering plans showing where the chain gate will go. Rocha said the purpose is to limit access on the private road to the property of Daniel Mahoney. There had been a gate held in place by metal poles which will be removed, said Rocha.

Selectmen unanimously agreed to allow the locked chain gate (NOT METAL GATE) with the stipulation that the fire, police and water departments, as well as the Mahoney family, have keys in order to have access to the road. Rocha noted, "Down the road in the future there may be an electronically operated push button response gateway".

RECEIVED A LETTER from the U.S. Air Force, Electronics Systems Division, Air Force Systems Command that Mattapoisett is being considered as a possible site for its "GWEN" Ground Wave Emergency Network tower. Selectmen Chairman John DeCosta said Leonard A. Randall informed him that he (Randall) has been talking with the Air Force and they are considering land owned by Randall adjacent to Route I-195.

The GWEN relay station occupies about 11 acres and will contain a tower 299 feet tall and two feet wide. It will operate at low radio frequencies between 150 and 175 kilohertz which is well below the bottom of the commercial broadcast band of 530 kilohertz. The relay site equipment does not interfere with existing communication and other electronic equipment. GWEN's broadcast power is between 2000 and 3000 watts. Other than for test exercises and periodic maintenance checks, the GWEN system remains in a "standby" status and operates only during an emergency.

RECEIVED NOTICE from Fire Chief Donald Wood that the fire department personnel have completed the required number of hours for Standard First Aid and First Aid Training at the First Responder level. The course was taught by American Red Cross instructors Paul M. Kelley, Jr. and Donald Linhares, with the help of outside lecturers.

WERE INVITED by Rebecca McCullough, President of the Crescent Beach Improvement Association, to attend the first meeting of the association on May 24th at Raymond Hall, Beach Street. A police officer is also invited to attend.

HEARD A COMPLAINT from Brad Barrows, 32 Mechanic Street on the blind drains installed by the Telephone Company adjacent to his property. He said it was supposed to be fixed; however, the drain water washed out into his backyard and into his swimming pool. He said he plans to contact the company and will meet with its representative

to solve this problem. "If the town has to get involved, I just wanted you to know what's happening," he told Selectmen. Selectman William F. Hubbard told Mr. Barrows to be sure to tell the Telephone Company it has to abide by town rules to replace ground properly.

Chairman DeCosta, in commenting on the annual town meeting, said it was an education in the process of Proposition 2½. He publicly thanked, on behalf of the Board, Town Clerk Lois K. Ennis, Town Accountant Betty Sears, Executive Secretary Carol Adams, Selectmen's Secretary Millie Sylvia, and members of the Finance Committee for all their efforts in making the town meeting run so smoothly.

From the Town Clerk

TOWN OF MATTAPOISETT

Reminder to all dog owners or keepers: There will be a $10.00 late fee assessed per dog starting June 1, 1987. Please obtain your 1987 dog license before that date. Requests for licenses may be mailed to the Town Clerk's office or dropped off in the Town's mail slot at the front of the Town Hall building. Written requests should include all the dog's information, plus a current rabies vaccination certificate. If you are licensing a spayed animal for the first time, include the spaying certificate. Fees are $4.00 for male and spayed females and $7.00 for female dogs.

Elderly Tax Exemptions

During the debate on Article 42 at the Mattapoisett Town Meeting the Board of Assessors set forth its policy of granting real estate tax exemptions to residents 70 years of age or older who own property and who qualify under any of several state programs.

Pursuant to this policy, any town resident 70 years of age or older who is single and has gross income of less than $13,000 per year or who is married and has gross income of less than $15,000 per year AND who has assets (not counting the value of a dwelling occupied by the taxpayer) of not more than

THE JUSTICE AND THE MATTAPOISETT CONNECTION

As you drive along Prospect Road, on the east side of town, you will pass three streets named, consecutively, "Oliver", "Wendell", and "Holmes".

One of Mattapoisett's notable summer residents for several years was Justice Oliver Wendell Holmes, Jr. There is a plaque along Prospect Road in his memory, and there is a sign on the big tool chest in the Carpenter Shop at the Mattapoisett Historical Museum which states that he used to sit on that chest in the local Carpenter Shop and talk with the men of the village about the events of the day.

On Tuesday evening, June 2nd, at 7:30 p.m. in the Museum, 5 Church Street, Daniel Mahoney will present an interesting and informative program about Oliver Wendell Holmes, Jr., and the Mattapoisett Connection.

The public is invited to attend this program as well as members of the Historical Society.

been selected by the faculty to attend the 1987 Boys' State Convention at Bentley College June 13-20.

Thomas Fletcher, son of Mr. and Mrs. Frank Fletcher, will be sponsored by Attorney Lawrence DiCara. The Florence Eastman Post #280 of the American Legion will sponsor Christopher Beard, son of Mr. and Mrs. Ronald Beard. Kristian McCabe, son of Mr. and Mrs. Paul McCabe, and Andrew Motta, son of Mr. and Mrs. Charles Motta, are being sponsored by the Machacam Club. The fifth candidate is Christopher Seaberg, son of Mr. and Mrs. John Seaberg. Mr. Seaberg will be sponsored by the Mattapoisett Lions' Club.

The students were selected for scholastic achievement and leadership and have shown an interest in and responsibility for government. At their conventions they will establish and operate State Government in miniature during the week at Bentley. This includes forming two political parties, holding conventions, nominating candidates, conducting campaigns and elections so that when they return home they will have a better understanding of the functioning of State Government.

1-Mile Road Race

The Mattapoisett Parent-Teachers' Club will be sponsoring a 1 mile road race on Sunday, May 31st, at 1 p.m., rain or shine. The start and finish lines will be at Center School with a course that runs around the village.

Entry fee is $2.00 for all ages. Every finisher will receive an award ribbon with special awards to the first place finisher, both boy and girl, in the following age groups: pre-school, each grade 1-6, junior high, and high school.

The P.T.C. will also have a booth set up for the sale of the Buzzards Bay T-shirt and sweatshirt. This fun-raiser is being held for the Playground Improvement Committee.

Volunteers are needed. Call Kathy Mahoney at 758-6420. A meeting of volunteers will be held Tuesday, May 26th, at Center School at 7 p.m.

QUESTION:

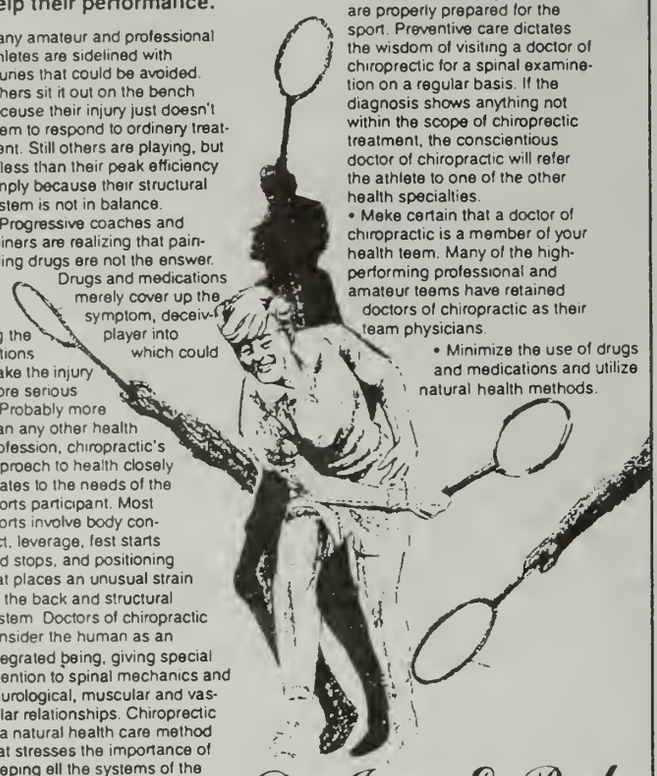
WHY SHOULD ATHLETES HAVE CHIROPRACTIC SPINAL MANIPULATION?

ANSWER: Because it can help their performance.

Many amateur and professional athletes are sidelined with injuries that could be avoided. Others sit it out on the bench because their injury just doesn't seem to respond to ordinery treatment. Still others are playing, but at less than their peak efficiency simply because their structural system is not in balance.

Progressive coaches and treiners are realizing that pain-killing drugs ere not the enswer. Drugs and medications merely cover up the symptom, deceiving the player into actions which could make the injury more serious

Probably more than any other health profession, chiropractic's approech to health closely relates to the needs of the sports participant. Most sports involve body contact, leverage, fest starts and stops, and positioning that places an unusual strain on the back and structural system Doctors of chiropractic consider the human as an integrated being, giving special attention to spinal mechanics and neurological, muscular and vascular relationships. Chiroprectic is a natural health care method that stresses the importance of keeping ell the systems of the body functioning efficiently, so the player enjoys peak performance, a minimum injury risk and fast recuperative powers.



Here's what you can do:

- Make certain that your athletes are properly prepared for the sport. Preventive care dictates the wisdom of visiting a doctor of chiropractic for a spinal examination on a regular basis. If the diagnosis shows anything not within the scope of chiropractic treatment, the conscientious doctor of chiropractic will refer the athlete to one of the other health specialties.
- Meke certain that a doctor of chiropractic is a member of your health team. Many of the high-performing professional and amateur teems have retained doctors of chiropractic as their team physicians.
- Minimize the use of drugs and medications and utilize natural health methods.

Retracing LaSalle's Expedition

MEETING CHALLENGE HEAD-ON

Robert C. Gardner, Principal of Old Rochester Regional Junior High School, announces the presentation of MEETING CHALLENGE HEAD-ON - The Adventure of LaSalle: Expedition II.

This 20th century saga of students and teachers who followed the 3300 mile route of LaSalle in 1684 will be presented in an assembly for junior high students followed by small group work in the classroom.

The excitement and applause ac-

make it possible - the financial donors, the HHW committee, Bernard Talty, Ruth Martocci, Real Breton, and Mary Betts; Evelyn Ellis and the Board of Health; Fire Chief Donald Wood and the volunteer firemen and EMT's; the Presto Press; and many other people who helped to make Mattapoisett Special.

Sippican School

FUTURE PROBLEM SOLVING STATE COMPETITION

On Saturday, May 2nd, four sixth graders from Sippican School, accompanied by their teacher David Baker, attended the statewide competition for Future Problem Solving, held this year at Williams College. The invitation of Gabe Houdelette, Sonya Kinney, Kate Schaefer and Julie Xifaris to the state bowl was the culmination of work by Mr. Baker's entire class on this creative problem solving project.

National competition was begun by E. Parul Torrence over ten years ago. Future Problem Solving came to Massachusetts eight years ago. The process involves taking a "fuzzy" problem, brainstorming 20 problems, identifying a "real" problem, brainstorming 20 solutions, identifying criteria for solutions, pick-

ing 10 best solutions, and then arriving at one best solution, keeping in mind the obstacles involved. Research is required, and the students learn to work in small, student-directed groups.

Principal Roseli Weiss, who has been involved with Future Problem Solving since it came to Massachusetts, and Mr. Baker, co-trained Mr. Baker's class. The class worked on three problems in teams for submission to the competition. The team selected to attend the state bowl worked on creative solutions to the problem of illiteracy. Several hours of independent work were culminated by a five minute skit, in which they presented their solution to the audience. Sippican School congratulates Mr. Baker and his students on a job well done.

From ORR Junior High

MATH STUDENTS SCORE HIGH

Old Rochester Regional Junior High Math students scored high in the New England Mathematics League contest for 7th and 8th grade students. With over 460 schools and 2000 students competing in the 7th grade contest, Jason Goldovitz finished in a tie for 19th overall and tied for first in Plymouth County. The 7th grade team from ORRJHS finished fourth in Plymouth County, only ten points out of first.

Individually for the 8th grade contest, Jennifer Eames tied for fourth place in Plymouth County.

Congratulations on a fine performance by the "Mathletes" of ORRJHS. Mr. Jeff Rodman, a math teacher at the Junior High, has been administering the contests during the current school year.

Tennis League

APPLICATIONS BEING ACCEPTED

The Mattapoisett Tennis League is now taking applications for the 4th annual women's intermediate tennis tournament. This year we will be playing only doubles and the best 2 out of 3 games will be our format.

Because of our limited time frame (starts June 27 and ends August 8) we must restrict the number of teams that may participate. The fee this year will be $12.00 per team and all applications have to be in by June 13th.

Please make your check payable to Nancy York and forward to Nancy at Box 504, Mattapoisett, MA.02739.

If you have any questions concerning the tournament please call Sylvia Fales, 758-4575, or Nancy York, 758-6950.

Jim Hubbard and Carleton Vaughan. Jeff Rodman, our current leader, has estimated that more than fifteen-hundred grade 7 "Survivors" have participate in the program since its inception.

Among those numbers, we suspect, there are many who have not continued to use equipment purchased for the wilderness expedition. Backpacks, cooking utensils, and other related camping equipment are actively being sought by our Survival Advisory Committee to ensure that all of our young people who wish to participate in the program will have the means to do so. If it is possible for you to donate or loan such equipment to our Survival equipment pool, we would appreciate hearing from you. Simply call Jeff Rodman or Bob Gardner at 758-4928.

Information regarding our 1986 Survival Expedition will be presented at the annual Survival Presentation meeting Wednesday evening, May 27th, from 7 to 8:30 p.m. Parents of participating students plus adult friends of the program are encouraged to attend to view our newest Survival slide show extravaganza!....and have any questions related to the program answered by the chaperones and leaders.

We look forward to seeing you or hearing from you.

Thank You

Many thanks to all who sent me cards and flowers during my stay in the hospital.

THANK YOU ORR TRACK PARENTS

The members of the Old Rochester Regional Girls' Track team who attended the Eastern U.S.A. and Canadian Track Meet in White Plains, New York would like to thank the Track Parents' Booster Club for paying all the expenses associated with the trip.

The experience was a tremendous one for the girls attending and certainly brought honors to our community. We could not have achieved this goal without your support and help. Many thanks again.

Pursley, representing Wareham Area Hospice Program; Joanne Beaulieu, representing the New Bedford Area Hospice Program at St. Luke's Hospital; Evelyn Ellis, R.N., Chairman of the Mattapoisett Board of Health and staff nurse with the Fairhaven Visiting Nurses; Marjory Robinson of Marion, representing Friends Meeting, in the absence of Ruth Martocci; Ruth Elsbree, volunteer worker who coordinated the 1980 study of Mattapoisett seniors and their needs; Anne Porter, who is on the Board of Directors of Coastline Elderly Services; Anna and William Crampton, representing FISH in the absence of Norma Holt; Chris Berry, Chairman of the Mattapoisett Woman's Club Community Affairs Department; Joseph Rochette, member of the Coastline Board of Directors and former member of the Council; and George Silsby, President of the Mattapoisett Seniors' Club.

Concern was expressed for blind persons who do not have smoke detectors. Mrs. Pursley said the Lions Club plans to have a sign-up sheet at Shipyard Park on Harbor Days in July for those seniors who need to have alarms installed. Health Board Chairman Ellis cited a case where a patient lost her life because the smoke detector didn't work. She said she would gladly put one up herself and replace batteries, if she is notified. Also, the fire department will install alarms for needy persons.

21 NORTH STREET, MATTAPOISETT

Mr. and Mrs. Crampton issued a plea for volunteer drivers for the FISH program. Those wishing to volunteer may call the Council office at 758-3758. Contagious diseases were discussed and how each organization handles cases of patients and volunteers who service the patients. All agreed none of those in need of care has been turned away.

The Hospice Programs were explained and most cases are referred by visiting nurses. Ms. Beaulieu felt some patients were referred too late and that some could benefit from earlier Hospice care services to both the patient and the family.

Council members Robert Coquillette, George Avila, William Ellis, Virginia Arral, and Chairman Lynch agreed consideration will be given to developing a tasteful brochure outlining what services are available to seniors and to have the brochures distributed to organizations and placed in suitable public places.

Pssst ... have you seen our Jumbo rates? They're about the best around!

FIRST NORTHERN MORTGAGE CORPORATION
a wholly owned subsidiary of First Northern Bank
1-800 992 6556

This ... YOU'RE NOT GOING TO BELIEVE!

No, you won't believe it, but we have the proof. Most camera owners love the effect of zoom lenses but, let's face it, toting them around is not part of the fun. When I bought my zoom (some years ago) it weighed a couple of lbs. and it was just about 14" long. Well, as of this week, we can offer you TWO zooms, representing every focal length you'll ever want and the pair together aren't HALF THAT LONG.

SIGMA, one of the great names in lenses, has introduced their new 28-70 macro zoom and its mate, the 60-200. The 28-70 is exactly THREE INCHES LONG and the 60-200 is THREE AND A HALF INCHES LONG. They're sharp, they're light, they're the answer to every photographer's dream and they're priced right. Just $169.00 each or, buy the pair for $300.00!

At this writing, we don't have every mount in stock, but if you want one or both, we'll deliver within a week or 10 days. (Deposit required). These are, truly, the best we've ever seen. Summer's coming.....order yours NOW.

ness" is a six-week course designed to give students an opportunity to experience advanced educational courses in a live-in college setting. Only students who will be ninth and tenth graders in school year 1987-88 are qualified.

Five eighth graders and seven ninth graders have been selected to attend this exceptional program. They are Jeffrey Short, Andrew O'Shaughnessy, Nicole Houdelette, Mornee Jarvis and Jennifer Eames from the ORR Junior High, and Heather Harriman, Kelly Landry, Edlyn Engle, Judith LeBlanc, Heather West, Jerime Oliver and Lauri Lizotte from the Senior High.

They will be enrolled in a variety of courses including geology, photography, psychology, creative writing and Russian, among many others. The program also offers extensive extra-curricular activities of a more social nature, such as movies, dances and outside speakers.

The P.C.C. program begins July 6th and runs through August 14th. These students will find their

ducted. At the completion of the first day, ORR was winning, but other schools went ahead by the completion of the meet. ORR did finish in the top ten teams there, a great honor.

Tricia Bradley missed first place in the Javelin by 4 inches and came home with a silver medal. Teammate Priscilla Clark was scoring in the Discus at the same time. Andrea Porter competed in the High Jump and is still S.E. Mass.'s best jumper. Margaret Flynn made the semi-finals in the 100, and just missed the finals in the Long Jump. Nicole Lyonnais ran the 220, while ORR's 4 x 110 Relay Team continued to be the best in our area at a time of 52.6. Those team members were Tiffiney Rebello, Raquel Rezendes, Priscilla Clark, and Margaret Flynn.

Meanwhile, the remaining members of the team had two very strong Track Meets against Voke-Tech and Bourne. The scores of those meets were ORR 129, Bourne 29; and ORR 128, Voke Tech 30.

Outstanding performances in those meets were turned out by Becky Corkum in the Triple Jump;and 100M Hurdles; Jennifer Morris and Debbie Reardon in the Sprints; Mollie Munroe in the 880; Edlyn Engle in the 440; Regina

Lloyd Center

BIRD-A-THON TO BE HELD

On Sunday, May 31st, from dawn to dusk, the Lloyd Center for Environmental Studies presents its first Bird-A-Thon.

You've heard of walk-a-thons and swim-a-thons. A bird-a-thon runs with the same concept: sponsors pledge an amount for each species spotted by the Center's enthusiastic bird-watchers. The public is invited to either join, as birders, in the search for species, or to sponsor the birder of their choice.

Several prizes will be awarded: the National Geographic "Field Guide to the Birds of North America" will be presented to the amateur who spots the most species and the amateur who collects the most sponsors. Lloyd Center T-shirts will be awarded to all sponsors of the birder, amateur or professional, who spots the most species on that day.

All proceeds from the Bird-A-Thon will support research at the Lloyd Center. The Center monitors the coastal environment in southeastern New England, and the preservation of several endangered bird species has been the focus of recent pro-

TIDE POOLS TOPIC OF WEEKLY WALK

"The Tide Pools of Sachuest Point" will be the topic of an interpretive Weekly Walk on Sunday, May 31st, at 1:30 p.m. The walk is sponsored by the Lloyd Center for Environmental Studies in South Dartmouth.

Mark J. Mello, Research Coordinator at the Lloyd Center, will discuss the plants and animals which inhabit tide pools along the bedrock outcroppings of the Rhode Island shoreline. The pools are formed in rocky areas when water from the incoming tide remains between the rocks. A unique combination of marine and shore organisms live in these mini-habitats.

Walkers will meet at the ranger station at Sachuest Point. To register call the Lloyd Center at 990-0505. Weekly walks are free and open to the public.

New England Contradance

A New England Contradance will be held on Saturday, May 23rd, at the Rochester Grange Hall, Hartley Road, Rochester from 8 to 11 p.m. Geese in The Bog will perform traditional and original contradance music. Instruction and calling will be provided by Mary desRosiers of Harrisville, NH. All dances are taught and beginners of all ages are welcome. Come alone or with friends - dancers change partners throughout the evening.

This dance is held regularly every fourth Saturday of the month, and is funded in part by the Massachusetts Arts Lottery Council through the Rochester Arts Council.

For more information call 763-3410.

Where A Good Name Means A Great Deal

Cape Verdean Culture

During the weekend of May 22 and 23, an exhibit by four prominent Cape Verdean artists, a song and dance program of Cape Verdean music, a colorful slide show of the Cape Verde Islands and an address on Immigration Patterns will be featured at the Unitarian Memorial Church, Fairhaven.

Titled "A Glimpse of Cape Verdean Culture", the event will open at 7 p.m. Friday, May 22nd, with a talk by Dr. Marilyn Halter, visiting lecturer at Southeastern Massachusetts University on "Cape Verdean-American Immigration and Patterns of Settlement". Ronald Barboza of New Bedford will give a slide presentation of Cape Verde, and the Cape Verdean Student Alliance of SMU will give a program of dance and song.

Four prominent Cape Verdean artists will exhibit some of their art work in the church Parish House during the following hours: Saturday, May 23rd, from 1 to 4 p.m.; Sunday, May 24th, from 11 a.m. to noon, from 1 to 3 p.m., and from 8 to 9 p.m. Artists are Boaventura (Ben) Barros of New Bedford; Vasco R.A. Pires of East Falmouth, and Maurice Costa and

BEING OVERWEIGHT CAN HURT MORE THAN JUST YOUR LOOKS

At Diet Center, you will:

- Lose weight and inches
- Improve your eating habits
- Learn how to maintain your ideal weight

When you accomplish these three goals, your health will improve; you will feel and look better; your clothes will fit better; and you will feel better about yourself.

Heritage Plantation

RHODODENDRON FESTIVAL MAY 30

Thousands of internationally famous Dexter rhododendrons and azaleas stretching as far as the eye can see will peak in brilliant display of color during the last week in May and into the second week of June at Heritage Plantation of Sandwich on Cape Cod.

To celebrate this year's blooming season, the Museum will hold a Rhododendron Festival on Saturday, May 30th, from 10:30 a.m. to 4:00 p.m.

LARRY'S SALES & SERVICE INC.
270 Phillips Ave., New Bedford 999-4591

Heritage Plantation, in cooperation with Briarwood Gardens of East Sandwich, will be offering Dexter Rhododendrons for sale. About 600 plants ranging in size from 12 inches to 36 inches will go on sale. Prices will range from $8. to $60. for the plants.

The festival will begin with a lecture on caring for young plants. Jonathan Leonard, rhododendron grower and owner of Briarwood Gardens, will present a program on this topic in the Theatre of the Round Barn on the grounds of the Museum. At 11:00 a.m. Jeanie Gillis, Horticulturist at Heritage Plantation, will give a tour of the grounds. The plant sale will start at 12 noon in the picnic area outside the main gate. During the sale both Ms. Gillis and Mr. Leonard will be on hand to answer questions.

The plants in the sale come from Briarwood Gardens, and were propagated from plant material taken from the Dexter Rhododendrons located on the grounds of the Plantation.

Long impressed by the 76 acre grounds of the Museum, Mr. Leonard

began working with the Museum in 1983. Through the American Rhododendron Society's Massachusetts Chapter, he helped Heritage Plantation add a small number of named Dexters to the display garden, to do research on the collection and to establish a Dexter rhododendron nursery in East Sandwich that would help give Dexter's plants the national attention they deserve. Briarwood Gardens is a private nursery that works closely with Heritage Plantation but is not affiliated with it.

Heritage Plantation's outstanding collection of rhododendrons are.

named for Charles O. Dexter, a New Bedford industrialist. He retired to Sandwich in 1921 and created many of the world's best hardy rhododendrons. Working with elegant English imports and tough native stock, he germinated something like 200,000 hybrid seedlings and reared them as small plants. He worked on such a scale that he created a towering collection of rhododendrons generally suited to life in the Northwest. Dexter was most noted for creating plants that yield individual flowers that can reach 5 inches in diameter and give off delightful fragrances. Flower colors range from creams to pastels, to brilliant pinks with blossoms marked by distinctive veining and blotching.

A Dexter display garden on the grounds of Heritage Plantation contains 125 of the known 145 Dexter cultivars.

Some of the Dexter's that will be available for sale include the following: Dexter's Appleblossom - possessing one of the finest pink and white blossoms of any Dexter Rhododendron; Brown Eyes - pink with brown spots and Gigi - the best of Dexter's small-trussed reds, to name a few.

Tickets for the day are good for all exhibits and events held on the grounds that day or for an event that might occur in the evening. Admission is $5. for adults, children under 12, $2., five and under are free.

Heritage Plantation, New Englands's most attractive gardens and Museum of Americana, it's part of your heritage.

Babysitting Training

AT TOBEY HOSPITAL

The next Babysitter Training Course at Tobey Hospital will be held on Friday, June 5th, from 5 to 9 p.m., and Saturday, June 6th, from 10 a.m. to 2 p.m. in the Hospital Library.

The course covers Basic First Aid
